### **ROAD CLOSURE-BERRY ROAD AT LINDSEY STREET INTERSECTION**

Insituform Technologies, LLC under contract with the Norman Utilities Authority, is currently rehabilitating an existing 21-inch sewer interceptor along Lindsey Street from McGee Drive to Berry Road. This work will require temporarily closing Berry Road south of its intersection of Lindsey Street.

Weather permitting, Berry Road southbound at Lindsey Street will be closed to perform preliminary sewer cleaning work at 10:00 pm Thursday, May 14<sup>th</sup>, and reopened by 6:00 am Friday, May 15<sup>th</sup>. Warning and detour signs will be placed to assist the motoring public. Drivers are urged to use alternate routes such as Pickard Avenue or McGee Drive.

Other street closures will be issued as required during project construction. Weather permitting, the Lindsey Street Sanitary Sewer Rehabilitation project should be complete by August 2015.

Contact Mark Daniels, City of Norman Utilities Engineer, at (405) 366-5443 or [mark.daniels@normanok.gov](mailto:mark.daniels@normanok.gov) with questions.
